Dear Parents,

Re: Update on Old Church

This week we have successfully managed to get the children of keyworkers etc. back – Marion Richardson Primary School have been incredibly helpful and my staff have worked flat out to get everything ready.

It is looking hopeful that we will be able to get the nursery classrooms ready, with temporary hot water system and power, so that all the children will be able to return after Easter. I will continue to give you regular updates.

It is going to take some months to fully restore the rest of the school but it should be possible to manage while the works take place.

We will continue the on-line sessions until we can get all the children back to Old Church.

Thank you again for your understanding.

Best wishes

Sarah
