

7th February 2018

Dear Parents,

Health and Safety reminder

I am writing to ask for your help and co-operation so that we can keep the children safe.

Cars in Head Street

There are several cars that park in Head Street at the beginning and end of the day.

In the past we have had some near misses when cars have been reversing and children have run out.

Please do not park there in future. Police and traffic wardens will be patrolling to help us keep the children safe and I would not want anyone to get a ticket.

Pushchairs

There has been an increase in the number of pushchairs that are being left at the front of the school.

This area is a fire exit for the nursery and it is frequently blocked by pushchairs and scooters.

I have been advised by the fire safety officer that this is putting the children at risk.

If you need to leave a pushchair at school it **MUST** be folded and put into the buggy store.

If pushchairs are not folded they will be removed.

I hope that you understand my reasons for this, I do not wish to make life difficult for you but the safety of the children has to come first.

Kind regards

Sarah
