

Hello and welcome back to Old Church.

We are looking forward to seeing everyone in the next couple of weeks, it will be wonderful to have you all back.

Because of Covid, we have made some changes in order to keep everyone safe

We are asking that **ALL** parents/carers wear masks and socially distance when bringing their children to school.

Each class will come into school using a different entrance, they will leave their parents at the gate and go with a member of staff into the classroom where they will hang up their coats and wash their hands.

### **Gates**

**Blue Room – 9.15** will use the children's gate in Head Street. Parents will leave their children at the gate with a member of staff who will take them into the room.

**Yellow Room – 9.15** will use the Head Street gate next to the Portakabin. Parents will leave their children with a member of staff who will take them into the room.

**Red Room – 9.15** will use the Walter Terrace main gate. Parents will leave their children at the Forest School gate with a member of staff who will take them into the room.

**The gates will close at 9.20.** If you are late you will have to wait outside until a member of staff is able to collect your child.

I hope you will work with us to make this system work and protect our children from unnecessary risk.

Thank you

*Sarah*
