

OLD CHURCH
Nursery School

18th January 2021

Dear Parents,

Re – COVID – Staff shortage – safe re-opening of School

I am looking at the possibility of opening the school to more children and am writing to ask if you would wish to send your child to nursery, if a place became available.

As you know the rate of infection remains very high and we still have staff who are ill, recovering or shielding.

The Government has said that the safest place for children is at home, if it is possible for them to be looked after. Obviously we have remained open for vulnerable children and the children of keyworkers.

It would help me to plan, if I knew how many children would take up a place in the next 3 weeks if it were to be offered.

Kind regards

Sarah
