**A B.U.G.**

A B-U-G, a B- U- G

Everywhere I look I see a B-U-G

They live under the carpet

They live under the stair

They live inside the cupboard

Crawling everywhere

A B-U-G, a B-U-G

Everywhere I look I see a B-U-G

## Beehive

Here is the beehive

Where are the bees?

Hiding away where nobody sees

Watch them creeping out of the hive

One and two and three

Four and five

## Being a Spider

Being a spider is such a lot of fun  
Hanging from the ceiling, or going for a run  
Being a spider is absolutely great  
I've got more legs than anyone 'cause I've got eight  
I make a web each day  
I spin it round and round  
It makes such lovely patterns  
In the sunlight I have found  
I sit and wait until I get  
The food I like the most  
You can come and share my breakfast  
If you fancy flies on toast YUK!  
Being a spider is such a lot of fun  
Hanging from the ceiling or going for a run  
Being a spider is absolutely great  
I've got more legs than anyone  
Cos I've got eight!

## Caterpillar Sat in a Tasty Tree

Caterpillar sat in a tasty tree

Crunch, caterpillar, crunch

And he ate one leaf

Then two, then three

Crunch, caterpillar, crunch

Watch out caterpillar

You're getting fatter

Why, said the caterpillar

That doesn't matter

Don't interrupt my lunch

Crunch, caterpillar, crunch

## Caterpillar Walking

Caterpillar walking, caterpillar slow  
Caterpillar looking for his dinner you know  
Caterpillar finds a nice green leaf  
Oh what a fancy treat  
Chomp chomp chomp chomp  
Yum yum yum yum  
Caterpillar full now  
Rub tum tum  
Chomp chomp chomp chomp  
Yum yum yum yum  
Caterpillar full now  
Rub tum tum

## Nobody Loves Me

Nobody loves me

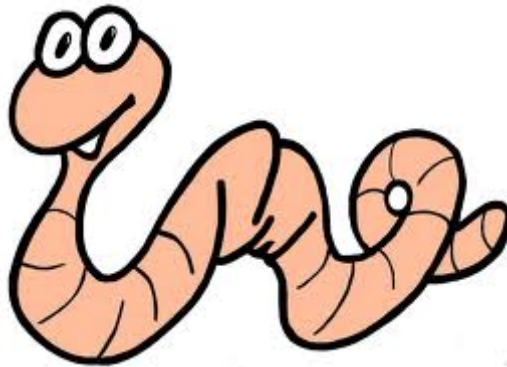

Everybody hates me

Think I'll go and eat worms

Long, thin, slimy ones

Short, fat, juicy ones

Itsy bitsy fuzzy wuzzy worms

## Please Don't Squish Me!

You may think that I'm scary

Or say I'm only small

Perhaps you think that I'm no good

For anything at all

But actually it's clever

How I've been put together

And if you get to know me you'll discover that I'm cool

So please don't squish me

Please don't squash me

Put me back exactly where you got me

Please don't poke me

Please don't prod me

Let me be a happy minibeast

## Wiggly Woo

There's a worm at the bottom of my garden

And his name is Wiggly Woo

There's a worm at the bottom of my garden

And all that he can do

Is wriggle all night

Wriggle all day

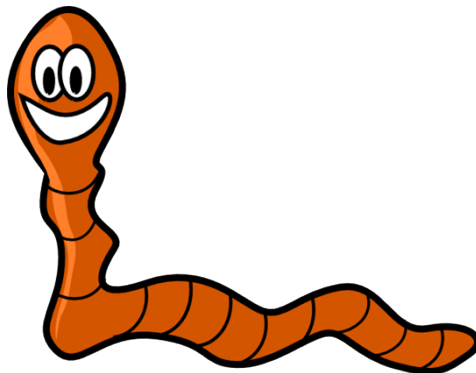

Whatever else the people may say

There's a worm at the bottom of my garden

And his name is Wiggly

Wigg - wigg- wiggly

Wigg-wigg-wiggly Woo

## Incy Wincy Spider

Incy Wincy spider climbed up the water spout  
Down came the rain and washed the spider out  
Out came the sunshine and dried up all the rain  
So Incy Wincy spider climbed up the spout again

Incy Wincy spider climbed up the tree  
Down came the snow and made the spider freeze  
Out came the sunshine and melted all the snow  
So Incy Wincy spider climbed up the tree again

## Five Little Speckled Frogs

Five little speckled frogs

Sat on a speckled log

Eating the most delicious grubs

Yum Yum

One jumped into the pool

Where it was nice and cool

Then there were four green speckled frogs

Glub, glub

## Out in the Garden

Out in the garden underneath the stones  
You'll find minibeasts who don't have bones  
Earthworms and woodlice, centipedes and ants  
Don't go sitting down on them  
You'll get them in your pants!

Out in the garden round the flowerpots  
You'll find minibeasts with stripes or spots  
Caterpillars, spiders, ladybirds and ants  
Don't go sitting down on them  
You'll get them in your pants!

## **Chick Chick Chicken**

Chick chick chick chick chicken

Lay a little egg for me

Chick chick chick chick chicken

I want one for my tea

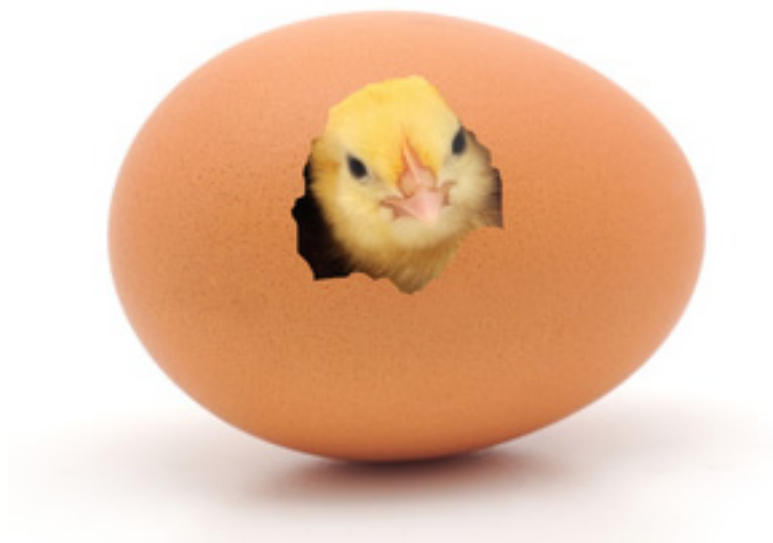

Oh I haven't had an egg since Easter

And now it's half past three

So

Chick chick chick chick chicken

Lay a little egg for me

But we know phones go

(clap) ting a ling a ling...

Growl growl went the little brown bear one day...

But we know bears go

(clap) huff a puff a puff...

## The Ants Go Marching

The ants go marching one by one, hurrah, hurrah

The ants go marching one by one, hurrah, hurrah

The ants go marching one by one

The little one stopped to suck his thumb

And they all went marching

Home to get out of the rain

The ants go marching two by two, hurrah, hurrah...

The little one stopped to do up his shoe...

The ants go marching three by three...

The little one stopped to climb a tree...

The ants go marching four by four...

The little one stopped to knock on the door...

The ants go marching five by five...

The little one stopped to learn to drive...

We're strong ants, strong ants

We carry food as we march along

We're strong ants, strong ants

Hup, two, three, four

Strong ants

We're buzzing bees, buzzing bees

We're making honey all day long

We're buzzing bees, buzzing bees

Buzz buzz buzz buzz

Flitter, flutter

Butterflies

Wriggly squiggly

Slimy worms
